

J-PROGS Photo CDs

Copyright Requirements

Purchasers of this CD-ROM may make free use of the images for personal use, or for supporting students in their schools or colleges. However, certain restrictions for use apply and you should read the following conditions carefully.

1. These photographs may not be used in any context where commercial gain is involved.
2. These photographs may not be used to promote any product or service without the express consent of the copyright holder (J-PROGS).
3. If any images included here are included on an internet website, an acknowledgement must be included with each image used. This should read 'Photograph taken from (title) Photo CD © 2006 J-PROGS. All rights reserved.' Notice by email should be provided to J-PROGS of cases where these photographs have been posted up on a website (email julian@j-progs.com).
4. If images from the Photo CD are used on an intranet, an acknowledgement must be included with each image used. The acknowledgement should read 'Photograph taken from '(title) Photo CD © 2006 J-PROGS. All rights reserved.'
5. If any of these images are used by students in coursework, they must be made aware of the restrictions which apply. They should acknowledge the source of the image(s) by including reference to this Photo CD in a bibliography.
6. Where the images are used in PowerPoint presentations, appropriate reference may be made to their source, at the discretion of the purchaser of this Photo CD.

Tips and advice on how to use the images in this collection can be found in the ReadMe.rtf file on the CD.

NOTE: Pompeii Photo CD -- WARNING!

Some images in this collection have a sexual content and may be deemed unsuitable for use by young students in schools.

Please refer to the ReadMe file on the CD for details.

Installation

Please note that you will be able to use images from this CD-ROM without any installation taking place. However, most users will probably want to install them either on a hard disk or network. Full instructions for installation can be found on the ReadMe file on the CD-ROM.

Contact Point

J-PROGS will welcome your views on how this software might be improved, or on any other relevant issues. Please contact us at the addresses below. We stock a full range of programs useful for teaching and learning Latin, Greek and Classical Civilisation.
